With rolling to sloping topography near Lake Lanier, the site is mostly wooded with a small creek through the center of the property and multiple homesites throughout. Approximately 115 feet of road frontage on Old Keith Bridge Road and all utilities are to the site including public water (except sanitary sewer). Site is located within the **highly desirable Forsyth County School System**. The area's exceptional quality of life and good employment opportunities, while remaining relatively affordable, makes this site a superb opportunity as a midsize estate property or minor subdivision.

LOCATION OVERVIEW

Forsyth County has some of the best schools in the state and, according to Niche.com, is consistently in the **top 10 counties in which to live across the USA**. The best of both worlds: less than an hour to Atlanta, 20 minutes to the mountains and mere minutes from Lake Lanier. Easy access to all Gainesville has to offer as well as Chestatee ES (1.8 mi), Little Mill MS (6.3 mi) and East Forsyth HS (4.9 mi). Commercially, there has been an explosion of activity in Dawsonville (Kroger Power Center and Publix Anchored Center) along with the Premium Outlets. Located about halfway between these two commercial nodes, this site is a great option for a minor residential development or midsize estate tract.
